HOW IT WORKS

1

Find the leak

Audit intake, coverage gaps and follow-up first.

2

Place the team

Selectively hired specialists, trained on your matters.

3

Layer the AI

Instant answering and sequencing; humans escalate.

4

Co-manage it

QA, reporting, weekly tuning. Never set-and-forget.

WHO WE ARE

We're law firm operations problem solvers — not a staffing vendor. Led by **Ethen Ostroff, Esq.**, we embed in daily operations, co-manage alongside your team, and measure on signed cases rather than hours logged. Firms plateau at \$1M–\$2M without systems. We build the systems.
